

Privacy

GAJ Denture Clinic is committed to protecting your privacy. This Statement of Privacy applies to GAJ Denture Clinic web site and governs data collection and usage. GAJ Denture Clinic is a general audience web site, intended for users of all ages. Personal information of all users is collected, used and disclosed as described in this Statement of Privacy.

Collection of your Personal Information

GAJ Denture Clinic may collect personal information, such as your e-mail address, name, home or work address and telephone number. GAJ Denture Clinic does not collect any information about your computer hardware and software.

This website is not responsible for the privacy statements or other content on web sites outside of the GAJ Denture Clinic web site, including web sites that link to GAJ Denture Clinic web site.

Use of your Personal Information

GAJ Denture Clinic may collect and use your personal information to inform you of other products or services available but will not sell or disclose your personal information to any other entity.

GAJ Denture Clinic does not sell, rent or lease its customer lists, or any information therein, to third parties.

GAJ Denture Clinic may access and/or disclose your personal information if required to do so by law or in the good faith belief that such action is necessary to: (a) conform to the edicts of the law or comply with legal process served on GAJ Denture Clinic or the site; (b) protect and defend the rights or property of GAJ Denture Clinic, including its web site; or (c) act under exigent circumstances to protect the personal safety of users of GAJ Denture Clinic or the public.

Transmission and Security

GAJ Denture Clinic ensures that all sensitive personal information is transmitted over SSL encrypted connections. Personal information may be stored on secure Internet servers that host the GAJ Denture Clinic web site. Personal information may be stored on secure servers, accessible only by GAJ Denture Clinic when provided with the proper credentials to do so.
